

Thunderbird Village

Manufactured Home Community

2 Marlin

756 Sq. Ft., 2 Bedroom, 1 Bath

This home is ready for a complete cost effective rehab. You would be shocked for how little you will have to spend to make this a cozy home full of new memories. Featuring an almost blank canvas to give the home your pizzazz and style choices. Points to Note: A living room with stunning natural light of any decorator dream, eat in kitchen with bar style countertop plus space for your cute kitchen bistro set, an open space blank canvas of a main bedroom with equally stunning natural light and open face running closet.

Condition of home is listed in purchase agreement and we offer a wide a ray of inhouse services and supplies for a competitive price to get the home to where you want it to be if you choose.

Contractor lists are also available for trusted and vetted persons to help transform this handyman special into your oasis. Home sale subject to conditions related to community rules and given in a concise time frame in writing at time of purchase and available for discussion beforehand.

Apply now for FREE at thunderbirdvillagemhc.com or stop into our office for a “Wow Fridge” snack and to discuss details and a paper application.
